**PALS (PEACE: A LEARNED SOLUTION)** is a creative arts therapy program for children ages 3-17 (and their families) who have been impacted by domestic violence. PALS offers a safe and supportive environment that allows for children and non-offending parent to benefit from the therapeutic strategies learned in session to heal beyond abuse.

To care for my mother

Being famous by being an artist

I wish when I grow up to be a doctor

YOU ARE A RAINBOW OF POSSIBILITIES

I wish to be a doctor and help with issues

I wish to be a doctor and help with issues

To have a good life

My parents to care for me

Be a veterinarian

My wish is to be a doctor

My wish is to be a doctor

I wish to be a doctor and help with issues

I wish to be a doctor and help with issues

I hope for good grades

Give a hand and save a life
